BAITED BREATH — Miss Arkansas, 21-year-old Rhonda Kay Pope, waits with you-know-

what to put down the worm that was part of her first fishing lesson in Atlantic City.

September 16, 1974

Dear Joe:

I want to thank you and the members of the Anglers Club for the fine cooperation you gave to the Miss America Pageant in allowing us to take publicity pictures on your Pier.

Everyone was so cordial - the girls really enjoyed meeting all and the picture of Miss Arkansas holding that worm was priceless!

Will you please convey our thank you to all your nice members?

Many, many thanks to you!

Cordially,

Marie
